Episode 30: October 08, 2020, 3:00pm ET via Zoom

America's upcoming November 3 election has been thrown into unprecedented chaos. The President has tested positive for COVID-19. Mail-in votes are now guaranteed to be counted days after election night. Questions about mass mail voting, violence in our cities, Republican party allegations of fraud, Democratic party accusations of suppression, plus the assertion that neither candidate should under any circumstances concede on election night assures uncertainty, chaos, and conflict right through the final tally of election results and probably through Inauguration Day. There is even open talk of a military confrontation at the White House. Renown litigator Alan Dershowitz, seasoned political strategist Josh Block, and top crisis manager Juda Engelmayer, and top experts join Edwin to examine the controversies and consequences.
