Episode 33: October 29, 2020, 3:00pm ET via Zoom

America's presidential election is causing unprecedented jitters. Tens of thousands of mail ballots have been erroneously issued or gone astray. Both Trump and Biden say they will only accept the results if the election "is not rigged." Revelations of undenied emails implicating Biden in a robust Chinese kick-back scheme—with Twitter and major media censoring the information—has thrown the campaigns into a last-minute chaos. Political street violence has already broken out. Variations in mail-in deadlines among the states and ballot discrepancies guarantee that "election night" will become weeks of uncertainty, claims and counterclaims. Seasoned political strategist **Josh Block**, top crisis manager **Juda Engelmayer**, and threat analyst **Ken Abramowitz** join Edwin to examine the latest last-minute controversies and consequences.
