

# Unanswered Questions XII

Edwin takes on some unanswered—and still burning—questions. Almost every episode, we run out of time before we run out of questions. We save them, and these episodes give us a chance to address topics such as current affairs, history, automation and AI, energy, eugenics, antisemitism, and more. He will also be accepting new questions via the Zoom Q&A. Join us for another no-holds-barred, nothing-off-the-table session.
