

Happy 4th of July

From Edwin, Carol, & Team Black

The men who signed this declaration had no certainty that their endeavor would succeed. They nonetheless pledged their “lives, fortunes, and sacred honor” to give us a Republic – “if we can keep it.”

We'll be back on July 10 at 3 PM EDT for the launch of Edwin's latest book, *Israel Strikes Iran*.

Lithograph of the John Trumbull portrait by Napoleon Sarony; Harry T. Peters, “America on Stone” Lithography Collection; Smithsonian Institution National Museum of American History.
